

Muhammad Zakaria and Sons

Transaction activity — July to September 2026

NTN: 0000000-0 | STRN: 00-00-0000-000-00

Period: Custom: 2026-07-01 to 2026-09-30

Filters: All categories, projects, parties and cash/bank sources

Generated: 2026-09-20 19:55:48 PKT

Generated for: finance.officer

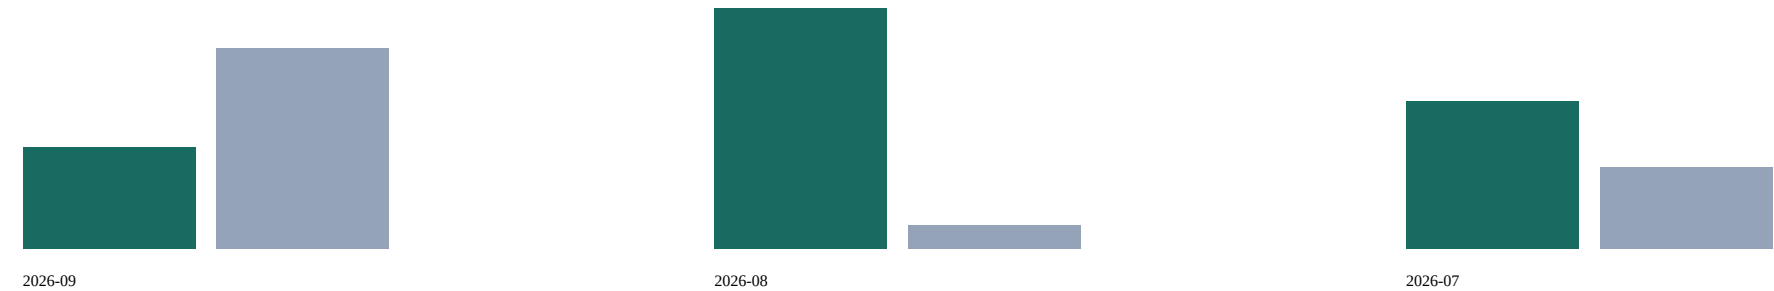

Header: Example data generated by scripts/build_manual_examples.py

Opening PKR 0.00 | Receipts 1,325,000.00 | Payments 826,150.00 | Closing 498,850.00

Receipts less payments, plus transfers in less transfers out. Opening includes earlier recorded movement. Independent openings apply only to one selected account/category/project/party without additional filters; openings from different dimensions are never added together. Current revision excludes cancelled records. This is not profit, debt or a reconciled bank balance. Grouped detail can contain allocation rows from the same transaction.

Internal transfers: in 150,000.00 | out 150,000.00

Receipts / payments by month - PKR; top eight groups plus other

Colour: receipts | Grey: payments | Maximum 650,000.00
